

Australian Cable Tray Manufacturer with Strong Reputation

AI Overview

EzyStrut, Ozstrut, Axelent, and Brilltech are among Australia's most reputable cable tray manufacturers, known for quality, compliance, and innovative solutions. Leading Manufacturers EzyStrut is one of Australia's most prominent cable tray manufacturers, with over 30 years of experience. They offer a wide range of products including ladder trays, solid-bottom trays, and wire mesh trays, all engineered to comply with Australian standards such as AS/NZS3013:2005. EzyStrut is recognized for durability, versatility, and innovation, providing solutions for sectors like mining, telecommunications, and construction. Their EM2+ Mesh Cable Tray features pre-installed joiners to reduce installation time, and they also offer seismic bracing options for AS1170 compliant installations. Ozstrut provides a comprehensive range of cable trays suitable for commercial and industrial projects. Their offerings include perforated trays for light-duty applications, T3 trays for standard industrial use, and T5 trays for heavy-duty installations. Ozstrut emphasizes compliance with Australian standards, fast delivery, and robust support for electricians and contractors. Axelent specializes in cable trays integrated with their X-Tray system, which complements their X-Guard machine guarding solutions. This dual focus on cable management and safety makes them a strong choice for industrial and warehouse environments. Brilltech and Burndy CSS are also recognized for producing durable, high-quality cable trays designed to withstand harsh conditions, offering customization options and local support for Australian projects.

Why Choose Australian Manufacturers

Compliance with Standards: Products meet strict Australian safety and performance regulations.

Durability: Designed to endure harsh weather and industrial conditions.

Customization: Many manufacturers offer tailored solutions for specific p...
