

Benin Large-Span Cable Tray Manufacturer

AI Overview

Ned-Tech is a leading cable tray supplier in Benin, offering durable long-span solutions, while international manufacturers like Adarsh Udyog and Longjoy Cable provide customizable long-span cable trays for heavy-duty applications. Local Supplier in Benin Ned-Tech is a prominent supplier of cable trays in Benin, serving cities such as Cotonou, Porto-Novo, Parakou, Abomey-Calavi, and Bohicon. They offer a comprehensive range of cable management solutions including ladder trays, perforated trays, trunking systems, and wire mesh trays. Their products are made from galvanized steel, stainless steel, and aluminum, designed to withstand coastal humidity and inland heat conditions. Ned-Tech also provides technical support for sizing, installation, and project planning, ensuring efficient long-span cable installations within Benin. International Manufacturers for Long-Span Applications Adarsh Udyog specializes in the design and manufacture of ladder and perforated cable trays suitable for long-span applications. They offer customizable dimensions (length, width, height, thickness) and materials including steel, aluminum, and stainless steel. Their in-house manufacturing capabilities include shearing machines, press brakes, welding machines, and paint booths, allowing them to handle large-scale industrial projects. Longjoy Cable provides long-span ladder cable tray systems with enhanced load capacity due to strengthened side plates. These trays can be customized in lengths of 3m, 6m, 8m, or 12m, making them ideal for installations requiring extended spans without intermediate supports. Materials include galvanized steel and stainless steel, suitable for heavy-duty industrial and commercial applications. Key Considerations Material Selection: Choose between galvanized steel, stainless steel, or aluminum depending on environmental conditio...
