

Cable tray support cable clamp price

AI Overview

Cable tray clamps typically range from \$5 to \$50 per piece depending on type, material, and brand. Price Range and Factors The cost of cable tray clamps varies widely based on material, size, load capacity, and brand. Basic metal clamps for light-duty applications can start around \$5-\$10 each, while heavy-duty or specialized clamps for industrial use may cost \$20-\$50 or more per unit (Amazon, RS Components). Stainless steel or corrosion-resistant clamps are generally more expensive than standard steel or plastic options. Types of Clamps Standard Cable Tray Clamps: Used to secure cables to solid or ventilated trays; suitable for most commercial installations. Under-Desk or No-Drill Clamps: Designed for home or office setups, these clamps attach to desk edges or furniture without drilling, often sold in packs of 2-4 for \$15-\$30 (Amazon). Heavy-Duty Industrial Clamps: For ladder or perforated trays in factories or construction sites, prices are higher due to load-bearing capacity and durability (RS Components). Additional Considerations Quantity Discounts: Bulk purchases often reduce per-unit cost, especially for industrial projects. Accessories: Cable tray systems may require additional fittings like brackets, hangers, or couplers, which can add \$5-\$25 per piece depending on type and material. Material Compliance: Stainless steel, galvanized steel, or halogen-free plastic clamps may be required for specific environments, affecting price (Ekabel24). Where to Buy Amazon: Offers a wide range of clamps for home and office use, with prices starting around \$5 per clamp. RS Components: Provides industrial-grade clamps and accessories from brands like Legrand, Schneider Electric, and Phoenix Contact, with detailed specifications and pricing. Specialty Suppliers: Websites like Ekabel24 offer high-quality cable trays and clamps compliant with DIN EN 61537 standards, suitable for professional installations. By considering the type of installation, material, and quantity, you can select cable tray clamps that fit both yo...
