

Canada s largest cable tray manufacturer

AI Overview

Some notable Canadian cable tray manufacturers include Superior Tray, Unitray, Graybar Canada, Zip Tray, Lumen, MP Husky, and T&B Cable Tray Systems. Key Manufacturers and Offerings Superior Tray is a leading manufacturer in Canada, providing a wide range of cable tray systems including ladder trays, solid bottom trays, and perforated trays. They offer products in steel and aluminum, suitable for commercial, industrial, and telecom installations, and are known for durability and compliance with safety standards. Unitray specializes in customizable cable tray solutions for industries such as manufacturing, mining, and energy. Their trays include ladder, perforated, and solid bottom types, designed for easy installation and long-term performance. Graybar Canada, Zip Tray, and Lumen also supply a variety of cable management products, catering to both standard and specialized applications, including harsh environments. MP Husky provides CSA-compliant fiberglass, steel, and aluminum cable trays suitable for multiple industries. Their products meet or exceed CSA, NEMA, UL, and CTI standards, ensuring reliability and safety. T&B Cable Tray Systems (ABB Electrification Canada) manufactures aluminum and steel ladder trays, one-piece trays, and ExpressTray® wire basket trays. Their facilities in Quebec and Alberta serve Eastern and Western Canada, offering custom lengths, rung spacing, colors, and pre-drilled grounding holes. Other notable manufacturers include Max. Power Bus Way Ltd., Electron Metal, Code Electric, and Texcan, which provide specialized solutions such as fiber cable trays, customized electrical distribution systems, and tray cable connectors. These manufacturers collectively cover a broad spectrum of cable tray types, materials, and certifications, making it easier to select a supplier that meets specific project requirements in Canada.
