

Compatible SFP Optical Amplifiers

AI Overview

SFP optical amplifiers and transceivers compatible with standard networking equipment are available from multiple Ethiopian suppliers, including Tradekey-listed vendors and local fiber optics companies. Ethiopian Suppliers and Options Tradekey Ethiopia Tradekey lists SFP optical transceivers suitable for 100/155Mbit/s data links, featuring SC optical connectors compatible with industry standards. These modules include a transmitter with 1310nm FP or 1550nm DFB lasers and a receiver with a PIN and pre-amplifier. They support Fast Ethernet 100BASE, SDH/STM-1, SONET/OC-3, and ATM applications, with transmission distances ranging from 15km to 80km over single-mode fiber (SMF) and operate on +3.3/5V DC power supply. Etulink Technology Etulink offers a wide range of optical transceivers, including SFP, SFP+, QSFP, QSFP28, and QSFP-DD modules. These modules support data rates from 1G to 400G and are hot-swappable. For example, 400G QSFP-DD SR8 modules provide up to 53.125Gbps per channel over multi-mode fiber, while 400G QSFP-DD LR4 modules support long-range single-mode fiber up to 10km. These modules are RoHS compliant and include digital diagnostic monitoring (DDM) for performance tracking. Local Ethiopian Fiber Optics Companies Companies such as Leunet ICT Solutions in Addis Ababa specialize in networking and fiber optics, including the import of SFP modules, patch cords, and optical amplifiers. They provide guidance on selecting single-mode or multi-mode fibers, connector types (LC, SC, ST), and suitable transmission distances. These suppliers can also advise on environmental considerations and installation methods for indoor or outdoor deployments. Key Considerations for Compatibility Connector Type: Ensure the SFP module matches your existing hardware (LC, SC, or MPO connectors). Transmission Distance: Choose modules based on required reach (short-range, intermediate, or long-range). Data Rate: Verify the module supports your network speed (1G, 10G, 25G, 40G, 100G, 400G). Power Supp...
