

Cost and price of stainless steel cable trays in El Salvador

AI Overview

Exact prices for stainless steel cable trays in El Salvador vary by size, type, and supplier, and are typically provided via direct quotes. Suppliers and Product Options Several suppliers in El Salvador offer stainless steel cable trays suitable for industrial, commercial, and architectural applications: Jeetmull Jaichandlall (P) Ltd. provides a wide range of stainless steel cable trays in various sizes, shapes, and configurations, emphasizing durability, corrosion resistance, and adaptability for multiple industries such as construction, mining, and automotive. Brilltech Engineers Pvt. Ltd. offers corrosion-resistant, high-strength cable trays designed for secure cable management in harsh environments, with customizable solutions tailored to specific project requirements. MADESA El Salvador supplies electrical installation materials, including cable trays, with a focus on quality and long-term reliability, suitable for both residential and industrial projects. Anaco Trading stocks standard sizes of stainless steel cable trays, including cable ladders and basket trays, and can provide custom designs based on architectural drawings. Prices are subject to market fluctuations in stainless steel and delivery costs.

Factors Affecting Price

The cost of stainless steel cable trays in El Salvador depends on several factors:

- Material grade and corrosion resistance:** Higher-grade stainless steel (e.g., 304 or 316) is more expensive but offers better durability in harsh environments.
- Tray type and design:** Ladder, basket, or solid-bottom trays have different manufacturing costs. Custom designs or architectural finishes can increase the price.
- Size and length:** Longer or wider trays require more material, affecting the overall cost.
- Quantity and bulk orders:** Larger orders may qualify for discounts.
- Delivery and installation:** Shipping costs and installation requirements can influence the total project cost.
