

Customized charging pile distribution boxes by manufacturers

AI Overview

Several manufacturers offer fully customizable charging pile distribution boxes, tailored for different power ratings, installation environments, and safety standards. Leading Custom Manufacturers

1. **Fujian Guozhiyun Information Technology Co., Ltd.** Located in Fuzhou, China, Guozhiyun specializes in electrical automation and provides complete power distribution solutions, including high and low voltage control cabinets, distribution boxes, and explosion-proof cabinets. They offer custom design, assembly, and PLC programming for EV charging distribution boxes, ensuring solutions are tailored to project requirements and industrial standards.
2. **Alibaba Sheet Metal Welding Services** Several suppliers on Alibaba provide custom sheet metal welding services for outdoor EV charging pile distribution boxes. These services include full customization of size, design, and material, suitable for international markets such as Japan, Hungary, and Poland. The boxes are durable, efficient, and designed for outdoor use.
3. **Dalsin Industries** Dalsin Industries, an ISO 9001:2015- and 14001:2015-certified manufacturer, produces NEMA-rated metal enclosures and cabinets for EV charging stations. They offer OEM collaboration, including concept development, prototyping, and full-scale production. Their enclosures are designed for durability, moisture resistance, and tamper-proof assembly.
4. **Ouyue Electric Co., Ltd.** Ouyue Electric provides customized outdoor rainproof distribution boxes with 16 different sizes, adaptable to various charging pile powers and configurations. Their modular interior design allows for clear wiring paths and easy maintenance. They support fast prototyping (5-7 working days) and large-scale batch delivery, making them suitable for both domestic and overseas projects.
5. **Mingxue Electric** Mingxue offers the XL-21 special power distribution cabinet, designed for 7kW-120kW AC/DC...

Charging Pile Manufacturer: Reliable EV Charging Solutions

Find top charging pile manufacturer with customizable, high-efficiency EV chargers. Explore verified suppliers, fast delivery, and OEM options. Click to discover premium charging

Customized outdoor rain-proof electric vehicle charging distribution ...

How to design distribution box for outdoor electric vehicle charging pile□ With the accelerated deployment of electric vehicle charging facilities worldwide, the demand for outdoor

Custom EV Charging Pile Shell

From prototyping to mass production, we offer full OEM/ODM support. As a leading manufacturer of EV charging pile shell, we specialize in

Special Power Distribution Cabinet for Charging Piles | XL-21 Low ...

Fully compliant with mandatory protection standards for terminal circuits in charging applications, the XL-21 ensures maximum safety and reliability. Tailored for optimal performance, it's the ideal choice for

Custom Sheet Metal Welding Service for EV Charging Stations

Supplier highlights: This supplier is a manufacturer and trader, focused on quality control, offers full customization and design customization services, and mainly exports to Japan, Hungary, and Poland

Customized distribution boxes: your all-in-one solution for industrial ...

Distribution boxes, industrial control boxes, outdoor surface-mounted electrical boxes, and charging station electrical boxes are indispensable components of modern power systems. Whether it is

29 Charging Pile Manufacturers in 2026

This section provides an overview for charging piles as well as their applications and principles. Also, please take a look at the list of 29 charging pile manufacturers and their company rankings.

Special Distribution Box for Electric Vehicle Charging Piles

Special Distribution Box for Electric Vehicle Charging Piles, Find Details and Price about Distribution Box Cabinet and Power Distribution Panel from Fujian

Customized Metal Shells _ OEM Distribution Boxes _ EV Charging Pile ...

Xinyuan An, established in 2015, specializes in providing customized metal enclosures, EV charging pile enclosures, and OEM production services for distribution boxes. It has provided ODM solutions for

Smart Charging Pile Distribution Unit for Electric Vehicles

Our talented engineers are ready to customize any product according to your needs and provide a comprehensive solution. Q3: What about MOQ? A3: Our minimum order quantity is just 1

Custom Cabinet For Charging Pile/Station

China Custom Cabinet For Charging Pile/Station catalog of OEM ODM Sheet Metal Fabrication Enclosures for Automobile EV Charging Stations, Steel Metal Enclosure for Electric Vehicle Piles Car

Customized Metal Electric Vehicle EV Charging Piles

Here you can find high quality cheap Customized Metal Electric Vehicle EV

Custom Power Distribution Box with Quick Installation Design | Coloria

Power distribution boxes—the "nerve centers" of any building's electrical network—are often overlooked until the final stages, leading to rushed decisions, compatibility issues, and safety

Power Distribution Boxes Manufacturer

Power Distribution Boxes Manufacturer Custom power distribution boxes featuring precise sheet metal fabrication, designed for efficient power management.

EV Charger Enclosure Box/Case, Electric Vehicle

XTECK provides durable EV charger enclosure boxes, designed for optimal protection and security of your charging equipment. Our EV charging enclosure

EV Distribution Pillar Solutions for Modern Charging Infrastructure

Need reliable EV distribution pillars? Discover durable, IP65-rated charging station pillars with customizable options. Click to explore top suppliers and upgrade your EV infrastructure today.

Custom Sheet Metal Welding Service for EV Charging Stations

Custom Sheet Metal Welding Service Outdoor Charging Pile Distribution Box for Ev Charging Station Pillar Stand No reviews yet 1105 sold Dongguan Maitejinqi Electromechanical Technology Co., Ltd.

Charging Piles Enclosure Manufacturers and Suppliers

As a professional Charging Piles Enclosure manufacturers and suppliers, we provide customers with comprehensive project management services and customized service.

Wholesale Power Distribution Boxes Suppliers, Manufacturers (OEM,

Buy power distribution boxes in bulk online from 10 verified wholesale power distribution boxes suppliers, manufacturers (OEM, ODM & OBM), distributors, and factory lists on Global Sources.

Outdoor Steel Electrical Equipment Enclosure Box Distribution Box ...

Name: Electric vehicle charging station protection box, metal steel distribution box, electrical equipment box Size: 38*150cm/14.9*59in Material: cold-rolled steel Style: mechanical lock, password lock

China Charging Boxes, Charging Boxes Wholesale, Manufacturers,
