

Direct shipping from Romanian cable tray manufacturer

AI Overview

Romanian cable tray manufacturers like RED Metal, Brilltech Engineers, and Cable House offer direct shipping with customizable options and European quality standards. Key Manufacturers and Offerings RED Metal is based in Bucharest and produces a wide range of cable trays with standard lengths of 3000 mm and widths from 50 to 600 mm, using galvanized sheet metal with perforations and embossing for durability and ventilation. They provide fast delivery, CE-marked products, and can produce modulated lengths on request. Their trays are designed for easy installation and minimal maintenance, ensuring safety and compliance with European standards (RED Metal). Brilltech Engineers Pvt. Ltd. manufactures cable trays in Romania using premium materials such as galvanized steel, stainless steel, and fiberglass. They offer perforated and solid trays for enhanced airflow, cable protection, and space optimization. Brilltech provides direct shipping, installation support, and system design assistance, making them suitable for both domestic and international buyers (Brilltech Engineers). Cable House has been operating since 1983 and supplies a variety of cable trays along with related products like hose clamps and cable ties. They offer customized solutions and can ship globally, ensuring high durability and compliance with industry standards (Cable House).

Shipping and Customization Direct Shipping: All three manufacturers provide direct shipping from Romania, with options for international delivery. Customization: Tray dimensions, materials, and perforation patterns can be tailored to project requirements. **Certifications:** Products are CE-marked and tested for safety and performance, ensuring compliance with European standards. **Support Services:** Manufacturers often provide technical support, installation guidance, and system d...
