

EU Mesh Cable Management Rack Manufacturer

AI Overview

Leading EU manufacturers of mesh cable management racks include Meka, Niedax Group, Wibe Group, Valdinox, and Trayco, offering high-quality wire mesh trays, cable ladders, and custom solutions. Key Manufacturers

Meka Meka specializes in high-quality cable support systems, including wire mesh trays, galvanized and acid-proof steel cable ladders, and aluminum-frame cable management systems. They have over 40 years of experience and provide solutions suitable for industrial, outdoor, and food-processing environments, emphasizing durability and protection against dust and humidity.

Niedax Group The Niedax Group is a full-service provider with a wide range of cable support systems, including steel, aluminum, PVC, and GRP cable trays. They operate across Europe and globally, offering technical consulting, planning, and installation services. Their subsidiaries and joint ventures, such as Philip Grahame International and R&M Electrical Group, provide specialized solutions for complex industrial and energy projects.

Wibe Group Wibe manufactures robust cable ladders, cable trays, and mesh trays designed for both horizontal and vertical installations. Their products are suitable for commercial buildings, industrial facilities, data centers, and offshore applications. Wibe emphasizes ease of installation and versatility across diverse environments.

Valdinox Valdinox focuses on wire mesh cable trays, supports, and accessories with high production capacity in Europe. Their EASYCONNECT® system reduces installation time and costs while enhancing strength and safety. Valdinox offers custom-made solutions and prioritizes compliance with project-specific requirements.

Trayco Trayco, based in Belgium, produces and optimizes cable trays, mesh trays, cable ladders, and mounting systems. They provide advisory services for installation and customized solutions, supporting clients throughout the...
