

Egyptian ladder-type galvanized cable tray manufacturer

AI Overview

Leading Egyptian manufacturers of ladder-type galvanized cable trays include Rovana Trade, Metal Tech, EIG, and Metal Store, offering high-quality, durable, and customizable solutions.

Key Manufacturers

- 1. Rovana Trade** Rovana Trade is a prominent Egyptian manufacturer specializing in cable trays, cable ladders, and electrical cable management systems. They provide galvanized ladder-type cable trays with full supply and installation services across Egypt. Their factory is fully equipped to deliver customized, durable, and reliable solutions for industrial and electrical infrastructure projects.
- 2. Metal Tech (MT Tray)** Metal Tech produces perforated cable trays, cable ladders, and cable trunks, available in galvanized or painted finishes. Their steel cable ladders are designed to support high loads and are cost-effective for heavy cable volumes. MT emphasizes high-quality fabrication and reliable performance for electrical projects throughout Egypt.
- 3. EIG (Egyptian Industrial Group)** EIG offers a comprehensive range of cable trays, including ladder-type galvanized trays made from cold-rolled steel or electro-galvanized steel. Their products are designed to prevent corrosion and extend service life, meeting international standards for industrial and electrical applications.
- 4. Metal Store** Metal Store manufactures cable trays, ladders, trunks, and wire mesh trays with options for hot-dip galvanization, pre-galvanization, or electrostatic painting. Their ladder-type trays support high cable loads over long spans, with cable laying depths up to 135 mm. They also provide installation accessories and supports, ensuring complete project solutions.

Considerations for Selection

Material and Galvanization: Choose between hot-dip galvanized, pre-galvanized, or electro-galvanized steel depending on environmental conditions and corrosion resistance requirements.

Load Capacity: Lad...
