

## European hollow cable tray brand

### AI Overview

Leading EU brands for hollow cable trays include Niedax Group, DKC Europe, Eurotray, Trayco, and Meka, offering a wide range of cable management solutions for industrial and commercial applications.

**Key Brands and Offerings**

- 1. Niedax Group** – A German-based full-service provider with over 100 years of experience, Niedax offers cable tray systems in steel, aluminum, PVC, and GRP (glass fiber reinforced plastic). Their portfolio includes hollow and perforated trays, ladders, and accessories suitable for ceilings, walls, and floors. They operate across Europe and globally, providing technical consulting, planning, and installation services.
- 2. DKC Europe** – DKC is a European leader in cable tray systems, offering solutions for civil and industrial infrastructures. Their range includes hollow cable trays designed for energy distribution, transport, and protection of electrical installations.
- 3. Eurotray Support Systems** – Eurotray specializes in heavy-duty cable management systems, including hollow trays suitable for vertical applications and high cable heating environments. Their products are widely used in data centers, food manufacturing plants, and industrial facilities, with options for low, medium, and high voltage cables.
- 4. Trayco** – Based in Belgium, Trayco produces and optimizes cable trays, mesh trays, and ladders. They provide consulting and tailored solutions for installation projects, including hollow cable trays for industrial and commercial applications.
- 5. Meka** – Meka offers a comprehensive cable management system with over 2,500 products, including cable trays, ladders, and wire mesh trays. Their focus is on quality, durability, and long life-cycles, making them suitable for construction and industrial projects across Europe.

**Considerations for Choosing a Brand**

**Material:** Steel, aluminum, PVC, or GRP depending on load, environment, and corrosion resistance.

**Application:** Industrial, commercial, or specialized environments like data centers or food processing plants.

**Support Services:** Some brands provide planning,...
