

Fiji Tray Cable Tray Manufacturer

AI Overview

Brilltech Engineers Pvt. Ltd and Cable House are two prominent cable tray manufacturers in Fiji, offering a wide range of products and customized solutions. Brilltech Engineers Pvt. Ltd Brilltech Engineers is a trusted manufacturer and supplier of cable trays in Fiji, catering to residential, commercial, and industrial sectors. They offer a variety of cable tray types, including ladder cable trays, perforated cable trays, PVC cable trays, mild steel, and stainless steel trays. Their products are designed for durability, corrosion resistance, and compliance with international safety standards. Brilltech also provides customized solutions and ensures timely delivery and after-sale support, making them a reliable choice for local and export projects. Cable House Cable House is another leading manufacturer and supplier in Fiji, established in 1983. They produce a comprehensive range of cable trays using graded raw materials and modern manufacturing technologies. Their offerings include industrial connectors, hose clamps, cable ties, and crimping tools, alongside cable trays. Cable House emphasizes durability, reliability, and long operating life, and they provide customized solutions to meet specific client requirements. Their products are available at competitive prices and are recognized for sustainable performance. Product Features and Services Both manufacturers provide cable trays with features such as: Corrosion-resistant coatings for longevity Flexible mounting options for versatile installation Open designs for easy cable installation and heat dissipation Compatibility with various cable types and sizes Customizable fittings for tailored installations These companies also ensure that their cable trays comply with national and international safety standards, making them suitable for new construction, renovation, or retrofit projects in Fiji. For inquiries or orders, you can contact Brilltech Engineers or Cable House directly through their websites or provided contact numbers to discuss your specific cable tr...
