

How many electrical distribution box manufacturers are there in Oman

AI Overview

Key manufacturers of electrical distribution boxes in Oman include National Electrical Industries (NEI), Perfect Automation & Innovation, Al Rouba Electrical & Services LLC, and Al Wejha Group. National Electrical Industries Co. L.L.C. (NEI) specializes in manufacturing a wide range of electrical distribution products, including Low Voltage and Medium Voltage switchgear, MCBs, MCCBs, Earth Leakage Circuit Breakers (ELCBs/RCCBs), distribution boards, and G.I. switch boxes. Their products are designed for superior performance, compliance with international standards, and include features like removable neutral links, shrouded busbar systems, and clear labeling for easy installation and maintenance. NEI has been operating since 1997 and serves industrial, commercial, and instrumentation applications across Oman (Web result). Perfect Automation & Innovation Located in Muscat, Perfect Automation & Innovation is a manufacturer and wholesaler of power distribution boxes, control panels, and power contactors. They focus on custom-designed solutions for efficiency and reliability, ensuring strict quality control and inspection of all products. Their offerings cater to both standard and specialized requirements for industrial and commercial clients (Web result). Al Rouba Electrical & Services LLC Established in 2013, Al Rouba Electrical & Services LLC manufactures electrical distribution and control panels for HVAC, engineering, power distribution, and process industries. They supply high-quality products using components from leading brands and have a strong reputation with government, public-sector associations, electrical contractors, OEMs, and MEP consultants. Their services include prompt delivery and after-sales support, making them a reliable choice for local projects (Web result). Al Wejha Group Al Wejha Group provides advanced power distribution systems for industrial a...
