

Huijue Optical Cable Industry

AI Overview

Huijue Optical Cable manufactures fiber optic cables, optical fiber components, telecom cabinets, and related network communication equipment. Overview of Products Huijue Optical Cable, officially Shanghai Huijue Network Communication Equipment Co., Ltd, specializes in telecom and communication products. Their manufacturing includes: Fiber Optic Cables and Patch Cords: Single-mode and multi-mode optical fibers, FTTH (Fiber to the Home) patch cords, SC/APC connectors, and customized fiber optic solutions for various network applications. Optical Fiber Components: Components for optical networks, including adapters, splitters, and connectors used in data transmission and telecom infrastructure. Telecom and Data Center Cabinets: Outdoor and indoor cabinets for housing network equipment, including FTTX cabinets and data center racks, designed for telecom operators and enterprise networks. Customized Network Solutions: Huijue provides end-to-end solutions, from product design to assembly, including metal precision production and one-stop services for telecom and data center projects. Applications Their products are widely used in telecom networks, data centers, power systems, and new energy industries. Huijue serves major telecom operators such as China Telecom, China Unicom, and other international clients across the USA, Europe, the Middle East, Southeast Asia, and Australia. Manufacturing Capabilities Huijue operates a headquarters in Shanghai with R&D, technical, and prototype departments, and a large production base in Jiangsu Province covering tens of thousands of square meters. The facilities include multiple assembly workshops for sheet metal, patch cords, and fiber optic cables, ensuring high-quality production and compliance with international standards like ISO 14001, ISO 45001, CE, and RoHS. In summary, Huijue Optical Cable is a comprehensive manufacturer of fiber optic and network communication products, offering both standard and customized solutions for globa...
