

Indian Fiber Optic Cable Bracket Manufacturer

AI Overview

While India has several leading fiber optic cable manufacturers, companies like Aksh Optifibre, Relemac Technologies, and M-core Industries are potential sources for fiber optic cable brackets and related accessories. Key Manufacturers to Consider Aksh Optifibre Limited Based in Rajasthan, Aksh Optifibre is a major manufacturer of optical fiber and fiber optic cables, including aerial, duct, armored, and FTTH drop cables. They produce key raw materials in-house, such as FRP rods, and have a global presence in 56 countries. While primarily a cable manufacturer, Aksh also supplies fiber optic accessories and mounting solutions, making them a potential source for brackets and cable support hardware. Relemac Technologies Private Limited Established in 1993, Relemac Technologies manufactures a wide range of communication cables, including fiber optic cables. They are ISO-certified and export globally. Their product portfolio often includes cable management solutions, which may encompass brackets, clamps, and mounting accessories for fiber optic installations. M-core Industries Private Limited A newer company founded in 2019 and based in New Delhi, M-core Industries specializes in fiber optic cables, coaxial cables, and networking products. They focus on high-quality materials and advanced manufacturing technology, and they serve clients in banks, offices, and electronics industries. They may provide or custom-manufacture fiber optic cable brackets upon request. Additional Options HFCL and STL (Sterlite Technologies Limited) are large-scale telecom infrastructure companies that supply fiber optic cables and network components. They often provide complete installation solutions, including cable management hardware, which may include brackets. Teledata Informatics Ltd. and Netlink ICT Private Limited focus on FTTH solutions and fiber distribution systems, w...
