

Large-scale cable tray manufacturer

AI Overview

Top large-scale cable tray manufacturers include Atkore, Legrand, Eaton, Thomas & Betts, and Chalfant Manufacturing, offering global solutions for industrial and commercial projects.

Leading Global Manufacturers

Atkore International: A major global supplier of cable trays, raceways, and cable management systems, offering steel, aluminum, and fiberglass trays suitable for construction, industrial, and utility sectors.

Legrand: Known for its Cablofil wire mesh trays, Legrand provides solutions for construction, telecommunications, and energy industries, emphasizing easy installation and compliance with UL and NEMA standards.

Eaton (Cooper Crouse-Hinds division): Supplies cable trays, ladders, and raceways for industrial, commercial, and residential applications, with a focus on durability and safety.

Thomas & Betts (ABB): Offers cable trays, ladder systems, wiring ducts, and accessories for industrial and commercial electrical installations.

Chalfant Manufacturing: Specializes in innovative cable tray systems, including self-connecting and walkable trays, with over 70 years of experience in tailored solutions.

Other Notable Manufacturers

Sunil Engineering Corporation: Produces perforated and ladder trays with accessories, emphasizing high-quality fabrication and customization.

ELCON CABLE TRAYS PVT. LTD.: Offers wire mesh, ladder, and perforated trays, along with related accessories for export markets.

Niedax Group (Germany): European leader in cable trays and support systems for construction, energy, and transportation sectors.

Spina Group (Italy): Specializes in heavy-duty ladder and perforated trays for industrial and shipbuilding applications.

Industrias Proa S.A. (Argentina): Focuses on durable, climate-resistant cable management solutions for South American industrial projects.

Key Considerations

Material Options: Steel, aluminum, fiberglass, and stainless steel are commonly offered for different environmental conditions.

Tray Types: Ladder, perforated, wire mesh, trough, and c...
