

List of Chilean Fireproof Cable Tray Manufacturers

AI Overview

Several manufacturers in Chile provide high-quality fireproof cable trays, including Brilltech Engineers and Cable House, offering galvanized steel, stainless steel, and FRP options. Key Manufacturers in Chile

Brilltech Engineers Pvt. Ltd. is a prominent cable tray manufacturer and supplier in Chile. They offer a wide range of cable trays, including perforated, ladder, and trough types, made from galvanized steel, stainless steel, and fiberglass-reinforced plastic (FRP). Their trays are designed for fire resistance, durability, and compliance with safety standards, suitable for industrial, commercial, and fire safety applications. They also provide customized solutions, installation support, and system design assistance for complex projects.

Cable House is another established manufacturer in Chile, recognized for producing customizable cable trays along with related products like hose clamps, cable ties, and crimping tools. Their cable trays are known for high durability, reliable performance, and fire-resistant features, and they cater to both national and international markets. Cable House emphasizes tailor-made solutions to meet specific project requirements.

Fireproof Cable Tray Features

Fireproof cable trays in Chile typically include:

- High-quality steel skeletons with cold-rolled sheets for strength and long service life.
- Fireproof coatings made from polymer resins, flame retardants, and high-temperature refractory materials, forming a protective carbonized layer under heat.
- Corrosion and water resistance, ensuring longevity in harsh environments.
- Smooth, burr-free surfaces for safe cable installation and maintenance.

These trays are commonly used in fire control rooms, fire pumps, smoke fans, and automatic fire alarm systems, providing both structural support and fire protection.

Additional Considerations

When selecting a fireproof cable tray manufacturer in Chile, consider...
