

Moroccan Explosion-proof Distribution Box Direct Sales Manufacturer

AI Overview

Morocco has multiple suppliers and manufacturers of ATEX and IECEx certified explosion-proof distribution boxes, suitable for hazardous industrial environments. Key Suppliers and Manufacturers

1. Kerix.net Directory Kerix.net is a professional Moroccan B2B directory listing over 30,000 companies, including suppliers of explosion-proof boxes. It allows users to request quotes, compare products, and find exporters within Morocco. This platform is useful for identifying local manufacturers and distributors of explosion-proof distribution boxes.
2. Supermec Although an international company, Supermec provides ATEX-certified explosion-proof enclosures including junction boxes and power distribution boxes. Their products are designed for chemical plants, offshore platforms, and refineries, and are suitable for highly corrosive environments. Moroccan distributors may carry these products.
3. Warom Group Warom specializes in explosion-proof electrical equipment, including distribution boxes, control equipment, and lighting. Their products comply with IEC, ATEX, and IECEx standards and are widely used in petroleum, chemical, marine, and mining industries. Warom offers various series of distribution boxes, such as BX-e and CBY20-L, which can be customized for industrial applications.
4. HEXLON HEXLON provides a wide range of explosion-proof electrical equipment with international certifications (ATEX, IECEx, CCC). They offer OEM and ODM services, allowing customization of distribution boxes to meet specific industrial safety requirements. Their products are suitable for oil & gas, chemical, pharmaceutical, and manufacturing sectors.

Considerations for Choosing a Supplier

Certification Ensure the distribution boxes meet ATEX, IECEx, or CENELEC standards for hazardous areas.

Material and Durability Look for enclosures made from stainless...
