

Myanmar Low-Voltage Power Distribution Box Factory

AI Overview

Myanmar hosts several companies specializing in low-voltage power distribution boxes and electrical systems, including Thida Chan Myay, Myanma Power Spectrum, Asia Power Quality Electric, and Yaung Ni Oo Electric. Key Companies and Offerings

Thida Chan Myay Electrical Trading Co., Ltd. provides a full range of electrical services, including engineering design, material supply, construction, testing, commissioning, and operation/maintenance for low-voltage cable and busduct distribution systems. They manufacture and supply all types of main switchboards (MSB), extended MSBs (EMSB), and distribution boards (DB) for commercial, residential, and industrial projects, with operations based in Yangon .

Myanma Power Spectrum Co., Ltd. specializes in supplying low-voltage, medium-voltage, and high-voltage electrical equipment. They offer products and systems from brands like Clazzy, Ortea, Eaton, and Siemens, along with related engineering services. Their low-voltage power distribution solutions include complete electrical installation systems, and their office is located in Mayangon Township, Yangon .

Asia Power Quality Electric Co., Ltd. imports and distributes high, medium, and low-voltage power products and systems, particularly ABB-manufactured equipment. Established in 2014 and based in Kamaryut Township, Yangon, they focus on improving reliability and efficiency in power distribution and automation for commercial and industrial clients .

Yaung Ni Oo Electric Company Limited is a Myanmar-based transmission and distribution specialist founded in 2017. They provide end-to-end electrical power system engineering, including low-voltage distribution networks, substations, high-voltage lines, and solar solutions. Their services cover both government and private projects, emphasizing sustainable and...

Article Content

Multi Power Engineering Co., Ltd.

We make below Electrical Aids products. We use quality raw material (EGI Sheet, Wpoxoy Power Electrical Switchgear, Bus bar, Cable, Wire Insulator and accessories). We follow up International

hitachi-soe

Hitachi Soe Electric & Machinery Co., Ltd (HISEM) have manufactured panel products with two categories, low voltage (LV) Panel & medium voltage (MV) panel. Panels are designed and

IEM Myanmar

Design & Consultant Our Engineering expertise spend the design of power generation systems, power distribution systems, lighting systems, cabling and cable support, installation, commissioning and

Yaung Ni Oo Electric

Yaung Ni Oo Electric is a T& D company based in Myanmar. Specializing in substations, high-voltage lines, power distribution, solar solutions, and electrical products.

Myanma Power Spectrum Co., Ltd | Clazzy, Ortea,

Myanma Power Spectrum can supply low-voltage, medium-voltage, and high-voltage electrical equipment, products, systems, and related engineering

Space Light

Space Light is leading electronics and electrical products manufacturing and distribution company in Myanmar, Selling Fans, Inverters,

Switch Gear Panel & Electrical Engineering Company

Cosmic Power is the best electrical engineering company and electrical panel builder in Yangon, Myanmar. We do switchgear panels manufacturing and

Khin Maung Tun & Brothers

We provide a comprehensive range of low, medium and high voltage electrical products. We are a key distributor in local markets and have supplied electrical products to famous projects in Myanmar. We

Khin Maung Nyunt Group of Companies | Powering Change

About Khin Maung Nyunt Group of Companies Founded in 1995, the Khin Maung Nyunt Group of Companies is a well-respected household name in the electrical power industry. Serving both public

Medium And Low Voltage Panel In Myanmar

We use cut-edge tools and modern machinery to manufacture premium quality Electrical Panels, LT Distribution Panels, Cable Bus Ducts, Power Generators, and Electrical Transformers in Myanmar.

Yaung Ni Oo Electric

Founded in 2017, Yaung Ni Oo Electric Company Limited provides end-to-end Electrical Power System Engineering across Myanmar. As a Myanmar Transmission & Distribution (T& D) specialist, we

Comprehensive Power Distribution Solutions

As a Myanmar Transmission & Distribution (T& D) specialist, we deliver powerline, 33/11 kV substation, and distribution network projects for government and private clients.

[Home Page \[dracopower .mm\]](#)

II. Infrastructure Installation & Development We deliver end-to-end solutions for expanding and reinforcing the Transmission and Distribution network across

Multi Power Engineering Co., Ltd.

We use quality raw material (EGI Sheet, Wpoxyl Power Electrical Switchgear, Bus bar, Cable, Wire Insulator and accessories). We follow up International Standard and Quality Control Procedure. Our

About Us

For low voltage such as 400V outdoor transformer panel, main distribution panel & sub distribution panel, drives and automation panel (Soft Starter, VSD, Star

[Home Page \[dracopower .mm\]](#)

We are committed to building and maintaining a reliable, brighter future for Myanmar's power network. We provide comprehensive maintenance, testing,

11kV Power Transmission Towers Myanmar

The project encompasses the design, manufacturing, and installation of 11kV transmission line towers specifically tailored to Myanmar's power distribution needs. These towers are critical in

Low Voltage Switchgear Panel - MYD

Main Switch Board Panel is factory assembled and applied for various industrial fields in low voltage power distribution system. They are used to allocate electric power in power distribution network.

Asia Power Quality Electric Co., Ltd.

Asia Power Quality Electric Co., Ltd. was established in 2014, located in Yangon, Myanmar. We are importing and distributing of High, Medium and Low Voltage Power Products &

Steel King Company Limited

Steel King Company limited specializes in Steel distribution and ventures into other construction material related product and services. We are one of the largest distributor for Myanmar in construction

Myanma Power Spectrum Co., Ltd | Clazzy, Ortea,

Our Company One of the Leading Companies in Myanmar Myanma Power Spectrum can supply low-voltage, medium-voltage, and high-voltage electrical

Custom Electrical Solutions & Equipment Provider | Zoliov

Low Voltage Distribution Box Zoliov's Low Voltage Distribution Box is a versatile and durable solution for managing electrical systems. Designed to function as an

Myanmar One Plus Engineering

Designing, Cost Analysis, Installation, Testing and Commissioning, Supervising, Fabrication and Maintenance of Low Voltage power System and Distribution project.
