

Rikofre-310-s5 fiber optic sensor

Overview

Featuring a diffuse reflection fiber M3 1.5 design, these sensors offer non-contact detection with exceptional sensitivity and response speed. The optical fiber sizes in our store can be personalized. The m3 1.0m wire model is fre-310, 2m wires are fre-320. This item includes applicable import fees—you won't pay anything extra after checkout. Seller pays for return shipping. Learn more Seller assumes all. The Riko Fiber Optic Sensor series FRS-310-S5, FRS-320-S10, and FRS-330 are high-precision industrial control sensors designed for reliable performance in demanding environments. Secure personal details: We protect your privacy and keep your personal details safe and secure. Please Tell us how many quantity do you need. We sell and repair B-ECKHOFF products in China, in addition to providing other CNC spare parts. Where is your company?

How do I get there?

Our headquarters is located in Xiamen, Fujian Province, China, with elegant environment and professional equipment. Do you have testing equipment?

What is.
