

Romanian fiber optic cable manufacturer

AI Overview

Prysmian Romania, Fiberapp, Polytrade Solution, MARCOFIL PRODIMEX, and Connexion Group are key Romanian manufacturers and providers of fiber optic cables and related services. Leading Manufacturers Prysmian Romania is headquartered in Slatina and is one of the largest cable manufacturers in Romania and Europe. They offer a wide range of energy and telecom cables, with continuous investment in product development and innovation. Their production facilities are certified and adhere to high standards in quality, environmental protection, energy efficiency, and occupational health and safety. Fiberapp Romania designs and manufactures high-performance fiber optic cables within the EU, ensuring compliance with European quality and safety standards. They provide rapid production turnaround, rigorous optical testing, and ISO-certified processes (ISO 9001, ISO 14001, ISO 45001), making them a reliable supplier for telecom, data centers, and industrial networks. Polytrade Solution specializes in telecommunications cables, including high-speed, large bandwidth fiber optic cables. They also supply a broad range of electrical and telecom products, supporting advanced network infrastructure. MARCOFIL PRODIMEX SRL has over 20 years of experience in manufacturing and distributing various types of cables, including fiber optic cables for electrical and telecommunications applications. Connexion Group focuses on fiber optic network projects, including design, installation, splicing, and network relocation. They provide turnkey solutions for metropolitan, FTTH, and interurban networks, with over 20 years of experience in the Romanian market. Industry Associations and Standards The Romanian Fiber Optic Association (AFOR) coordinates training, certification, and standardization for the fiber optic industry in Romania. AFOR organizes courses, workshops, and conferences, and has contributed to the development of national standards such as SR 13558. Membership in AFOR ensures that manufacturers and service providers...
