

SFP optical module supply quotation

AI Overview

SFP optical module quotations depend on module type, volume, coding compatibility, and manufacturer, with options for OEM/ODM services from global suppliers. Key Factors Affecting SFP Module Pricing

Module Type and Speed: Prices vary for SFP (1G), SFP+ (10G), SFP28 (25G), QSFP+ (40G), and QSFP28 (100G). Higher-speed modules and niche lasers (e.g., ER4/ZR, EML) command higher prices due to complexity and performance requirements.

Coding and Brand Profile: Modules with verified compatibility for Cisco, Arista, Juniper, Huawei, or Edgecore switches, including DOM/DDM support, can carry a premium.

Volume and Lead Time: Bulk orders reduce per-unit cost, while urgent shipments increase it. Manufacturers often provide tiered pricing based on order size.

Logistics and Tariffs: Shipping terms (FOB vs. DDP), regional taxes, and customs duties affect the landed cost.

Recommended Manufacturers for Quotations

- ABPTEL:** Offers global coding compatibility, transparent test data, OEM/ODM labeling, and fast shipping.
- Sopto:** China-based supplier providing a full range of SFP modules with free quotation requests online.
- Sanoc:** Taiwan-based manufacturer with over 20 years of experience, high-speed module self-development, automated assembly, and strict quality control.
- QSFPTEK:** Provides competitive pricing for 1G, 10G, 25G, and 40G SFP modules, often 30–60% cheaper than other vendors.
- WolonTek:** Specializes in OEM/white-label SFP modules with custom firmware, labeling, and global support, suitable for large-scale contracts.

Steps to Obtain a Quotation

Shortlist Manufacturers: Focus on vendors with proven production capacity, quality certifications, and relevant module types.

Request Like-for-Like Quotes: Provide specifications including module type, speed, reach, coding, and volume.

Verify Test Reports: Ask for IL/RL, TX power, RX sensitivity, BER, and temperature sweep results to ensure quality.

Consider OEM/ODM Options: If branding or custom firmware is required, confirm minimum order quantities and customizatio...
