

Sierra Leone optical fiber cable manufacturer

Overview

Sierra Leone Cable Limited (SALCAB) is a wholly government owned Optical Fiber infrastructure company incorporated as a limited liability company in 2012, operating as a regulated wholesale bandwidth and other related value added services provider to the ICT Industry, generally. Sierra Leone Cable Limited (SALCAB) is a wholly government owned Optical Fiber infrastructure company incorporated as a limited liability company in 2012, operating as a regulated wholesale bandwidth and other related value added services provider to the ICT Industry, generally. Ultra One was born from the vision of two pioneering forces—ZoodLabs and Metro Cable—coming together to redefine connectivity in Sierra Leone. Each brought a distinct strength: ZoodLabs led innovation in smart broadband infrastructure, Metro Cable delivered the country's most robust fiber-optic. Ultra One is committed to building a future where everyone has access to reliable and innovative connectivity. Ultra One delivers one of the most advanced and resilient connectivity infrastructures in Sierra Leone. Our network spans the national landscape and connects to global hubs, providing: Leonecom is a neutral fiber optic operator working as a private partner with the Government of Sierra Leone to oversee the national fiber optic backbone and ancillary infrastructure. With over 70 percent of Sierra Leoneans lacking access to reliable internet, Metro Cable Africa hopes to bridge the digital divide and provide. Our Metro fiber gives you dedicated, high bandwidth connections between your locations. It provides a secure and scalable solution with virtually unlimited bandwidth.
