

Singapore Grid Cable Tray Wholesale Prices

AI Overview

Wholesale grid cable trays in Singapore typically start from around SGD 1 per unit for basic wire mesh trays, with prices increasing based on material, size, and load capacity.

Pricing Overview

Wire Mesh and Plastic Trays: Basic under-desk or light-duty trays can start at SGD 1–5 per unit for bulk purchases, suitable for small-scale installations or resale purposes (Alibaba).

Steel Cable Trays: Perforated or ladder-type trays made from electro-galvanised steel, hot-dipped galvanised steel, or epoxy-coated steel range from SGD 20–100+ per meter, depending on duty rating (light, medium, heavy, super heavy) and dimensions (Wanco Electric, Obbo.sg).

Specialty Materials: Stainless steel (AISI 304, 316, 316L), aluminium, FRP/GRP, and ZAM-coated trays are priced higher due to corrosion resistance and industrial durability, often SGD 50–200+ per meter.

Factors Affecting Price

Material and Coating: Hot-dipped galvanised or stainless steel trays cost more than pre-galvanised or epoxy-coated trays due to durability and corrosion resistance.

Tray Type and Size: Ladder, perforated, and solid-bottom trays vary in price; larger widths and depths increase cost.

Load Capacity: Light-duty trays (13mm) are cheaper than heavy-duty or super heavy-duty trays (50mm+).

Accessories: Covers, joints, elbows, tees, and cable markers add to the total cost.

Supplier and Bulk Discounts: Wholesale pricing often depends on order volume; suppliers like RS Singapore and Alibaba offer bulk deals and minimum order quantities.
