

South African professional distribution box manufacturer

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. Twodigits supplies a range of domestic populated and unpopulated electrical distribution boards (also known as DB Boards), with surface, flush and floor mounted options available. Our range also includes mild or stainless steel weatherproof enclosures rated from IP44 to IP65. The distribution boxes. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. We offer a comprehensive packaging service to all sectors of the market and although the majority of our supply is in Gauteng, we have the resources to service customers nationwide. We. Whether you order electrical distribution boards, kiosks, boxes, circuit breakers or OEM spec'd LV switchgear from our stock or from our factory, our ISO 9000 certification and success record in most of SA's top 10 reticulation projects assure you of proven safety, quality, on-time delivery and. Reliable, custom-made packaging boxes for South African industries — engineered for storage, transport, and export compliance. Single wall and double wall options tailored to your load, handling, and budget requirements.
