

Spanish Optical Cable Conveyor Manufacturer

AI Overview

Spain hosts several reputable fiber optic cable manufacturers and conveyor system producers, offering both standard and customized solutions for industrial and telecommunications applications.

Fiber Optic Cable Manufacturers in Spain

- FIBERCO** – A global supplier of standard and custom fiber optic cables, offering in-house assembly, testing, and laboratory inspection. They provide services across Spain and Europe, with ISO9001:2015 quality certification and over 25 years of technical experience.
- Max. Optral** – Specializes in high-quality fiber optic cables for telecommunications, providing both standard and customized products with international certifications and comprehensive client support.
- Fibercom** – With over 30 years of experience, Fibercom focuses on fiber optic infrastructure, offering project planning, tailored solutions, and materials. They have offices in Barcelona and Zaragoza.
- Prysmian Group** – A global leader in high-technology cables, including optical fiber products for telecom and energy sectors, with extensive experience and international presence.
- Cablescom** – Established in 1971, Cablescom designs and manufactures telecommunications cables, emphasizing quality and environmental management, suitable for LAN, WAN, and industrial networks.
- CEF / Optral** – Offers a wide range of fiber optic cables for indoor and outdoor applications, including installation, certification, and repair services across Spain.

Conveyor Manufacturers in Spain

While no single company combines optical cable and conveyor production, Spain has specialized conveyor manufacturers:

- YM Packaging** – Advanced packaging machinery and customized conveyor solutions for food and non-food industries.
- Silos Spain** – Engineering and manufacturing of metal silos and transport machinery, including conveyors.
- GAICTECH** – Machinery for the canning industry, including proc...
