

What are some cable tray manufacturers in Central Asia

AI Overview

Several leading Asian cable tray manufacturers, including JP Shine, Brilltech Engineers, and Atkore, offer high-quality cable management solutions suitable for Central Asian projects. Notable Cable Tray Manufacturers:

- JP Shine Electrical & Controls Pvt Ltd** – An Indian manufacturer known for perforated, ladder, and wire mesh cable trays, JP Shine provides customized solutions for power plants, IT/data centers, industrial facilities, and construction projects. Their products comply with international standards and are designed for durability and ease of installation, making them suitable for Central Asian infrastructure projects.
- Brilltech Engineers Pvt. Ltd.** – Offers a wide range of galvanized steel, stainless steel, and fiberglass cable trays. Their trays are designed for enhanced airflow, safety, and space optimization. Brilltech also provides installation support and system design consultation, which is valuable for projects in regions like Kazakhstan or Uzbekistan.
- Atkore** – A global manufacturer with a broad portfolio of cable tray systems, including ladder, trough, and channel trays. Atkore's products are widely used in construction and industrial projects and are known for compliance with NEMA and UL standards, making them suitable for Central Asian climates and industrial conditions.

Other notable manufacturers include Sunil Engineering Corporation, ELCON Cable Trays Pvt. Ltd., and Snake Tray, which offer customized, heavy-duty, and corrosion-resistant trays suitable for large-scale infrastructure and energy projects.

Considerations for Central Asia:

- Export and logistics:** Many Indian and Chinese manufacturers export to Central Asia, ensuring availability for projects in Kazakhstan, Uzbekistan, Kyrgyzstan, Turkmenistan, and Tajikistan.
- Material selection:** Stainless steel or galvanized trays are recommended for regions with extreme temperatures or high humidity.
- Compliance:** Products should meet international standards and local regulations.
