

What are some cable tray manufacturers in North Asia

AI Overview

North Asia hosts several reputable cable tray manufacturers, including JP Shine, Atkore, MP Husky, and Eaton, offering a wide range of steel, aluminum, and fiberglass solutions. Key Manufacturers

JP Shine – A leading manufacturer and supplier of cable trays, JP Shine provides perforated, ladder, and wire mesh trays suitable for power plants, IT, and construction projects. They offer customized solutions and adhere to international safety and quality standards, ensuring durability and reliability for diverse applications.

Atkore International – Known for industrial cable management systems, Atkore produces made-to-order stainless steel trays, tray covers, and wire management accessories. Their products comply with NEMA standards and are widely used in commercial and industrial installations.

MP Husky – Offers a variety of cable tray systems including aluminum, mill galvanized steel, hot-dipped galvanized steel, stainless steel, fiberglass, PVC-coated, and wire mesh trays. MP Husky focuses on both standard and custom solutions for heavy-duty and specialized applications.

Eaton's B-Line Series – Provides a comprehensive range of cable trays and ladder systems designed for commercial and industrial use. Their solutions emphasize quality, flexibility, and compliance with international standards.

Snake Tray and Hubbell – These manufacturers specialize in modular, high-capacity, and hand-bendable cable trays, as well as wire basket systems for overhead, wall, or underfloor installations. They are recognized for innovative designs and adaptability to complex installations.

Materials and Customization Cable trays from these manufacturers are typically made from steel, aluminum, or fiberglass, offering options for heavy loads, corrosion resistance, and non-conductive environments. Many companies provide customization for size, shape, and finish to meet specific project requirements, ens...
