

Where can I buy Egyptian mesh cable trays

AI Overview

Several Egyptian companies supply high-quality mesh and perforated cable trays suitable for industrial, commercial, and data center applications. Key Suppliers:

- 1. Metal Tech (MT Tray)** Metal Tech specializes in cable tray fabrication and metal forming, offering perforated cable trays, cable ladders, cable trunks, tray supports, and accessories. Their perforated trays provide continuous support, are lightweight, and allow easy cable modifications over a project's lifetime. MT trays are available painted or galvanized and are designed for high-load applications in electrical projects across Egypt.
- 2. Metal Store** Metal Store provides a wide range of cable management solutions, including wire mesh trays, ladder trays, and trunking systems. Their mesh trays are ideal for data communications, control, and signal cables, offering good ventilation and easy cable securing with ties. Products are available in hot-dip galvanized, pre-galvanized, or electrostatic painted finishes, with supports for ceiling, wall, or floor mounting.
- 3. MetalEgypt** MetalEgypt manufactures various cable tray types, including galvanized steel, stainless steel, aluminum, and PVC-coated trays. They provide a full range of accessories such as covers, connectors, splice plates, bends, risers, and junctions, ensuring complete system compatibility. Their trays are suitable for indoor, outdoor, and corrosive environments, supporting both current and future cable loads.
- 4. EMECO** EMECO, operating since 1984, is a pioneer in cable tray manufacturing in Egypt. They offer a diversified range of cable ways and have a production facility in 6th October City. While specific mesh tray details are not listed, EMECO is recognized for high-volume production and reliability in electrical infrastructure projects.
- 5. International Company (IPEWO Egypt)** IPEWO supplies various cable trays made of black iron wit...
