

Where can I buy explosion-proof electrical distribution boxes in Saudi Arabia

AI Overview

Saudi Arabia offers a wide range of explosion-proof electrical distribution boxes through leading suppliers like Nassguard, Alrouf, and ISG, suitable for hazardous industrial environments. Key Suppliers and Products Nassguard provides ATEX and IECEx-certified explosion-proof junction boxes designed for flammable gases, vapors, and dust. Their product range includes cast aluminum, stainless steel, and GRP (Glass Reinforced Polyester) enclosures, flameproof junction boxes, modular enclosures, and terminal & cable connection boxes. These are corrosion-resistant, impact-resistant, and rated IP66/IP67 for dust and water protection, suitable for oil & gas, chemical, marine, and industrial applications across Riyadh, Jeddah, Jubail, and Dammam. Alrouf specializes in explosion-proof enclosures and junction boxes made from galvanized steel, providing durable protection for electrical connections in hazardous areas. Their products ensure safety and compliance with industrial standards. Industrial Systems Group (ISG) manufactures a broad line of explosion-proof enclosures, including junction boxes, panelboards, and motor starters. ISG products are ISO-certified and approved by Saudi Aramco and SABIC, ensuring high-quality standards for industrial and hazardous applications. Features and Certifications Materials: Aluminum, stainless steel, GRP, galvanized steel Certifications: ATEX, IECEx, ISO 9001, DEKRA Protection Ratings: IP66 & IP67 (dustproof and waterproof) Applications: Oil & gas, chemical plants, marine, industrial facilities, offshore platforms Safety Features: Flameproof housing, intrinsically safe designs, secure locking mechanisms, corrosion and impact resistance Availability These suppl...
