

Which company makes the best cable trays for your workshop

AI Overview

Atkore International, Legrand, Eaton, and Thomas & Betts are among the top manufacturers offering high-quality cable trays suitable for workshops and industrial applications. Leading Manufacturers

Atkore International (Cope Cable Tray) Atkore is a global leader in cable management systems, offering a wide range of heavy-duty and galvanized cable trays suitable for industrial and workshop environments. Their products are known for durability, compliance with UL and NEMA standards, and adaptability for complex installations, including data centers and manufacturing facilities.

Legrand Legrand provides versatile cable management solutions, including wire mesh and ladder trays. Their Cablofil brand is particularly popular for workshops due to its ease of installation, flexibility, and compliance with international standards.

Eaton (B-Line) Eaton offers a comprehensive range of cable trays and support systems, including galvanized and perforated options. Their products are designed for industrial and commercial applications, providing robust solutions for heavy cable loads and complex routing.

Thomas & Betts (ABB Group) Known for durable and easy-to-install trays, Thomas & Betts serves utility, commercial, and industrial sectors. Their cable trays are suitable for workshops requiring reliable, long-lasting cable management systems.

Specialized Options

- Chalfant Manufacturing:** Offers innovative self-connecting trays and walkable tray lines, ideal for workshops with high foot traffic or heavy cable loads.
- Snake Tray:** Provides aluminum and steel trays, suitable for lightweight and corrosion-resistant applications.
- Icotek (Germany):** Known for smart cable management systems and EMC solutions, ideal for workshops with sensitive electronic equipment.

Considerations for Choosing a Manufacturer

Material and Durability: Galvanized steel for heavy-duty use, stainless steel for corrosion resi...
