

Which company makes the best prefabricated mesh cable trays in Malawi

AI Overview

Top recommended manufacturers of mesh cable trays in Malawi include Jeetmull Jaichandlall (P) Ltd., Brilltech Engineers Pvt. Ltd., Cable House, and Micro Sheet Crafts. Key Manufacturers

1. Jeetmull Jaichandlall (P) Ltd. This company specializes in wire mesh cable trays and is recognized for high-quality finishing and customizable solutions. They offer trays in various sizes, shapes, and colors, suitable for multiple industrial applications. Their manufacturing facility uses modern equipment and advanced technology, ensuring compliance with industry standards and durability for heavy loads and long-term use.
2. Brilltech Engineers Pvt. Ltd. Brilltech provides perforated and mesh cable trays made from premium materials such as galvanized steel, stainless steel, and fiberglass. Their trays are designed for enhanced airflow, cable protection, and easy installation. They also offer professional support for product selection, system design, and installation, making them a reliable choice for both small and large projects.
3. Cable House Established in 1983, Cable House manufactures a wide range of cable management solutions, including customizable mesh cable trays. They are known for high durability, sustainable performance, and tailored solutions to meet specific project requirements. Their products are recognized for reliability and long service life.
4. Micro Sheet Crafts Micro Sheet Crafts offers modular and customized cable trays fabricated from high-grade steel. They focus on quality, durability, and client-specific designs, ensuring compliance with stringent quality standards. Their products are suitable for industrial, commercial, and retail applications, and they provide timely delivery and customer support.

Considerations for Choosing a Manufacturer

Material quality: Ensure trays are made from galvanized steel, stainless steel, or other corrosion-resistant materials. C...
